### **Notes:**

- This data originates from the Department of Planning and Environment Communications division organisational structures dated January 2020, 2021 and 2022.
- Some roles may have been vacant for part of the year in cases such as staff secondment or departure.
- Over the period of 2020 to 2022, there have been various structural changes, such as the formation of the Department of Regional NSW on 1 April 2020, which separated from the Department of Planning and Environment. These ongoing Machinery of Government changes contribute to the year-on-year fluctuation of Communications staff numbers.
