

Coffs Jetty Revitalisation

Community Update – April 2021

Project Overview

Property and Development NSW (PDNSW) is continuing with the development of a community-led master plan for the revitalisation and activation of the Coffs Harbour Jetty Foreshore Precinct.

This is an opportunity to create a vibrant and thriving foreshore precinct that is enhanced and activated for the benefit of the whole community, while maintaining the cultural and existing qualities of the local area that we all know and love.

Over the next twelve months, PDNSW will continue to work with the community to prepare a new master plan for the precinct that will guide a future planning proposal.

Together with community-led ideas, the master planning process will build upon the unique character of the precinct, to create a place for all people to enjoy, now and in the future.

Upcoming Community Consultation

The next step in the master planning process is to work with the community to shape a **shared vision and principles** that will guide the future activation and revitalisation of the precinct.

Residents, businesses, visitors and the broader community are invited to share their views on the draft vision and principles that will guide the master planning process for the Coffs Jetty Revitalisation.

During April and May 2021, there will be a range of ways that the community can connect with the project team:

Face-to-face

- **Thursday 15 April**
Coffs Coast Growers Market
(8am to 2pm)
- **Friday 16 and Saturday 17 April**
Coffs Central Shopping Centre
(10am to 3pm)
- **Saturday 1 May**
Coffs Central Shopping Centre
(10am to 3pm)
- **Sunday 2 May**
Harbourside Markets (8am to 2pm)

Online

- Survey will go live on Wednesday 7 April 2021: [Survey Link](#)
- The online survey will close on **18 May 2021**
