2. Your details

Email address: [REDACTED]

Name: Michael Davey

Address: [REDACTED]

Contact phone number: [REDACTED]

Do you identify as an Aboriginal person?: No

Are you an individual or representing an organisation?: Individual

3. Organisation or business details

Who do you represent?:

If you selected Government, please clarify.:

If you selected Peak representative organisation, please clarify.:

4. Draft Regional Water Strategy objectives and vision

Do you support this vision for the Border Rivers Regional Water Strategy? : Yes

If no, please outline your vision for the long term management of water resources in this region?:

5. Information and modelling used to develop the Border Rivers Regional Water Strategy

Do you have any comments about the information used to develop this strategy?: I would like to see more habitat created through this plan I do understand it's one of the 51 options but it's paramount to this strategy

Please provide details if there is additional information you think we should consider?:

6. Stochastic modelling method

Do you have any comments about the modelling method used to develop this strategy?:

Is there any additional information that you believe could help us assess the benefits and disadvantages of draft options?:

7. Opportunities and challenges for water management in the Border Rivers region

Do you have any comments on the opportunities, risks and challenges identified?: will The water won't benefit my town Tenterfield but those down stream

Are there any additional opportunities, risks and challenges that we should consider and what options could address these?:

8. Draft Border Rivers Regional Water Strategy options

Which five (5) options do you think are most important?:

Please comment on why you think these options are most important? :

Raise the pindari wall Habitat and riparian for water quality

Which five (5) options do you think are least important? (If any):

Please comment on why you think these options are least important? :

Queensland takes half the water Don't dam the mole river Raise the pindari wall

Do you have any comments on the draft options?:

9. Option combinations

Do you have any thoughts on how the options could be combined with other options?:

These decisions have already been made but more interaction face to face with mole river land owners and stop using covid as an excuse we can social distance a thousand people in a paddock

Are there additional options that we should consider?:

10. Other comments

Do you have any other comments about the Border Rivers Regional Water Strategy?:

Save the mole river , plant habitat

11. Referral

How did you hear about the public exhibition of this strategy?:

Social media
